Interested Parties:

It is my pleasure to announce the appointment of David Brewer to the position of Chief Deputy Director. His appointment is effective immediately.

David brings a great wealth of transportation policy experience to this assignment. He has a solid base of understanding of transportation programming and its underlying financial and policy implications. As a result of his extensive experience at both the Commission and Caltrans, David brings a perspective that will be incredibly beneficial to the Commission and its partners as we work to resolve many critical issues facing transportation.

Please join me in welcoming David to his new assignment as Chief Deputy of the California Transportation Commission.

Sincerely,

A handwritten signature in black ink that reads "Diane C. Eidam".
